

Kia ora Burnside Primary Community,

The Burnside Primary Aerobics team are beginning their fundraising for 2021 to help buy new uniforms, compete in our Regional Competition and then hopefully compete in the National Competition in Wellington.

We are **interested** to know if you as our community would support us in our **Kiwi Lunches fundraiser** selling the 5 compartment lunch box.

Kiwi Lunches is a New Zealand business that sells lunch boxes. They are airtight, hygienic, leak-proof, stainless steel, BPA free and dishwasher safe. They encourage no wrappers or wrap as you can put food straight into the stainless steel tray.

If there is enough interest, we will be selling the 5 compartment lunch box in black, pink, blue and green. They retail for \$59 but they will be offered to the Burnside Primary Community for **between \$36 - \$40**. If you are buying 3 or more, we would offer a multi-buy price. *There are samples at the office for you to look at.*

We would love to know if you would be interested in buying one or more of these fantastic lunch boxes and at what price.

Please follow the **link** below to let us know **your expression of interest** to buy one or more of these lunchboxes and at what price you feel comfortable paying. <https://forms.gle/k4r83XcVbhMDabWR8>

OR fill out the **form** below.

OR **speak** to Rose at the office or Millie in Tawa to let them know your expression of interest.

Thank you for your support to help our Aerobics team!

Kindest,
Millie Hooker, Nicki Black, Burnside Primary PTA and the Aerobics team.

Would you be interested in buying a 5 compartment lunch box?

Yes

No

What price would you feel comfortable buying a 5 compartment lunch box for? They retail for \$59.

\$36

\$37
