Message from our Principal Matt Bateman,

“Winter has arrived!!!” I don't mind cold morning temperatures, especially if a sunny day follows.

It is wonderful to have all children at school. Please support and encourage attendance, as time missed at school can quickly accumulate. Forming good “work-habits” within our young people is really important. My thanks to all families for your encouragement and support of your children at home. Spending time with them, talking, reading and sharing an adventure is a great way to grow a strong love of learning and a lifelong bond with them.

Inter-school sports will start this term for our 4 teams at Year 5/6 (selected for Netball, Football, Hockey and Rugby). I've been really impressed by the positive attitude displayed by all children within all teams. I also appreciate the staff who are providing great coaching - Coaches, teaching game-skills and a positive attitude is nice to see.

I would like to acknowledge our school's PTA (Parent-Teacher association). Thank you to those parents that attend these meetings. Our school's PTA raises many thousands of dollars each year and this money is donated to the school to provide extra resources for children.

Thanks for your support of our school.

Burnside Primary Guitarists thank the Rockshop and KBB Music

This week we had a surprise and generous donation of some guitars for our school. Special thanks to Roger Cleave and the Heart & Soul initiative run by Rockshop NZ and KBB Music. We are very grateful and lucky that our school is supported by wonderful community projects such as this.

Thank You New World Fendalton !

Every Wednesday Mrs Woyak is in a different class around the school with her volunteers cooking with classrooms with the Garden to Table program. Students are learning important life skills on how to grow, harvest and cook healthy meals. This worthy program would not be possible without the generous support of New World Fendalton. They provide us with all the cooking ingredients that we cannot grow ourselves like flour, spices, cheese and the like. Thank you so much for helping Burnside Primary teach our children how to create healthy meals!

Room 14 Art

Rm14 have been working on a mixed media art piece. We are combining dye and paints to create a wilderness waterfall. We are figuring out which colours to use for backgrounds before building up layers of painted objects over the top.

Lego Club in the Piwakawaka team

Some of our tamariki in the Piwakawaka Team are becoming expert negotiators, problem solvers and creative thinkers in their Lego Club sessions.

The students assume different roles, an engineer, who instructs the supplier as to the correct Lego bricks needed. Then the supplier tells the builder where to put the bricks to complete a set creation.

Listening to each other, using precise vocabulary and clear instructions are fostering positive relationships between our ākonga and lifting our Oracy skills.

The tamariki compliment each other and celebrate their successes by continuing to negotiate and create during Manatangata ako time. Our ākonga wear their lanyards displaying their particular role with pride and take their job very seriously. Great work ethics are being supported and modelled to their peers.

Cross Country 2021

Kia ora Koutou

What a great day the BPS Cross Country team had. Glorious weather, supportive parents and some awesome performances.

The top 6 in Y5 – Y6 will go on to Centrals.

We had 7 children who placed in the top 6 in their age group.

Y4 : Namyul Lee FIRST, Carla Ladstätter THIRD, Saki Daito FIFTH. – These children will not go on to Centrals.

Y5 : Anika Pageot FOURTH, Cooper Murphy FIFTH

Y6 : Logan Dale FIFTH, Suhhyeon Lee SIXTH

Thank you to you all for making this a priority at fitness time and giving your children the encouragement they needed.

Kindest

Millie and Kate
